THE SURE WAY TO CREATE SUPER CUTE CLASS T-SHIRTS

The Kids Draw:

How to use the Self-Portrait Class T-Shirt drawing grid:

- Each kid gets one square on the grid to call their own.
- Use the same **fine point, black ink pen** for all drawings. Mixing pen styles or colors won't work.
- If somebody needs a redo, clearly draw an X over the old square and start fresh in a new one.
- Not enough spaces? No problem. Print another sheet for the overflow.
